

MANO MAN

SERVER OF
THE REALM

THE CLOUD—MORE MAGNIFICENT UP CLOSE THAN I COULD HAVE IMAGINED FROM AFAR...

IN DATACENTROPOLIS, WE DREAMED OF ATTAINING SAFE PASSAGE TO THE UTOPIA. THAT DREAM HAS COME TRUE. THE TESTS OF THE FIVE KEEPERS OF THE CLOUD HAVE BEEN PASSED, THANKS TO CONTAINER AND NANO-MAN

—HE OF STUPENDOUS AGILITY...

KEEPERS, SHMEEPERS, CONNIE, I HEARD THE CLOUD IS REAL NICE THIS TIME OF YEAR.

...AND AN EQUALLY SWIFT TONGUE...

AWAY WE GO!

YOU TOO, BIG GUY.

OOOOOOH...

WHAT'S THIS?

MEANWHILE, IN THE REALM OF THE CREATORS...

LOOKS LIKE OUR NANO SERVER DEPLOYMENT WENT OFF WITHOUT A HITCH! THIS IS A BIG STEP IN GETTING OUR COMPANY TO THE CLOUD.

AREN'T YOU EXCITED THAT YOU DON'T HAVE TO SIT IN FRONT OF A SERVER AGAIN?

YOU KNOW IT.

BUT WE'VE GOT SOME NEW CHALLENGES TO TACKLE...

...LIKE SHADOW I.T.

CLOUD is THIS WAY

HERE

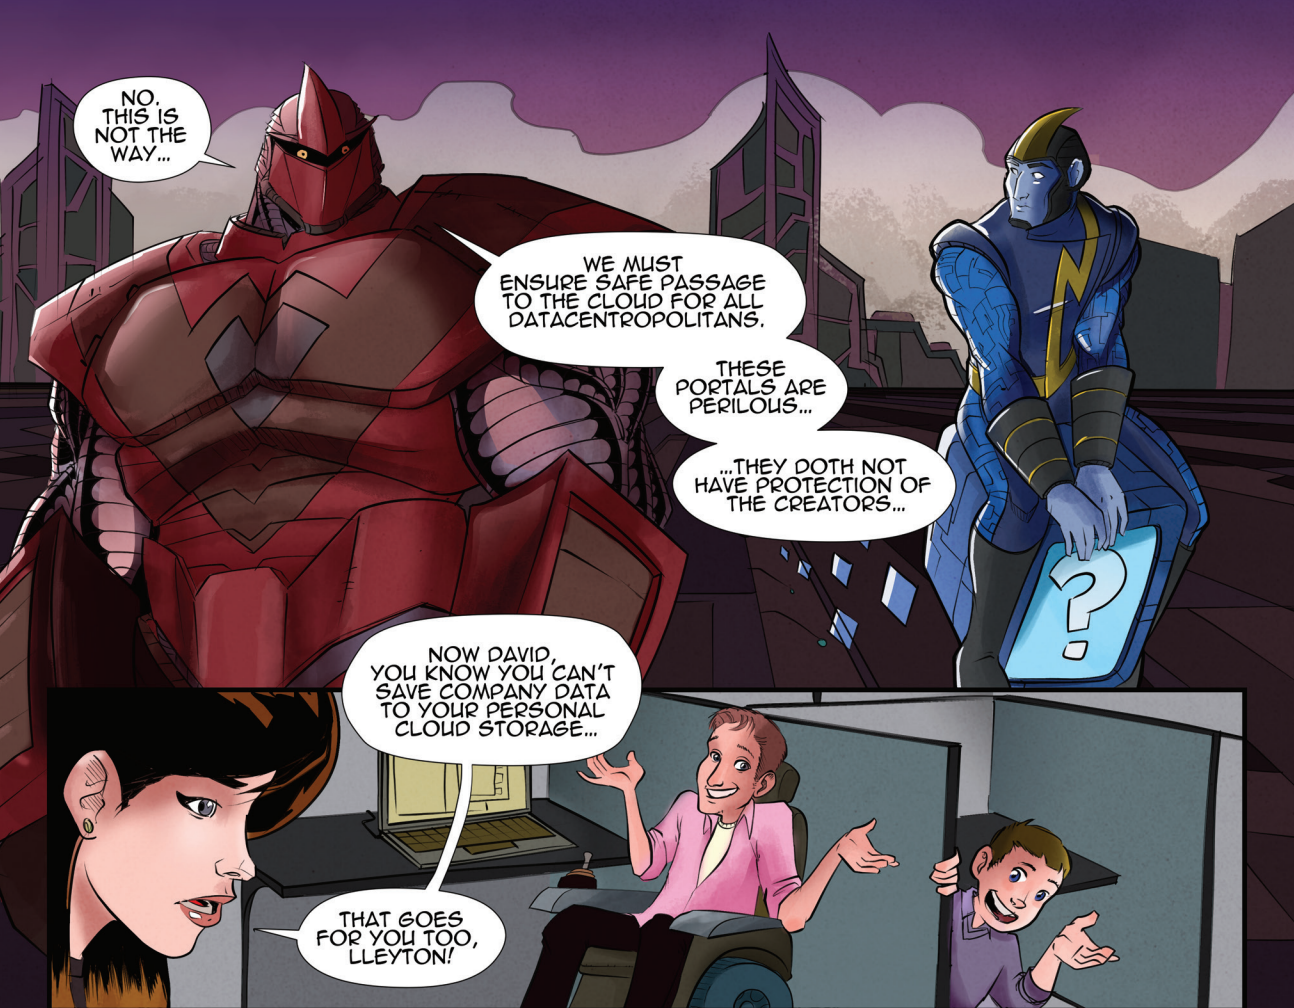

NOWARE DANGER

ENTER

Cloud

we take u there!

SHINY THINGS, SMILING GREMLINS OF QUESTIONABLE INTEGRITY, I'M SOLD.

THE NAME'S POWERSHELL.

THE LEGENDS ARE TRUE*! THE POWERFUL SHELL THAT WILL ENSURE SAFE PASSAGE TO THE CLOUD!

BUT HOW?

THAT'S A HECK OF AN INTRO! PUTS MINE TO SHAME, EH?

I'VE LONG BATTLED **SHADOW I.T.** AND HAVE BEEN MONITORING YOUR SITUATION FROM MY **COMMAND CENTER**. YOU NEED MY HELP.

OUR BITEY LITTLE FRIENDS COULD LEARN TO MIND THEIR MANNERS! BUT OTHER THAN THAT...

=GULP=

...THE MORE HEROES, THE MERRIER.

*SEE NANO-MAN #1 - ED.

HOW DO WE STOP THAT THING?

I'VE LEARNED THE WISDOM OF THOSE BEFORE US—AND UNLOCKED THE TOOLS THAT CAN DEFEAT **SHADOW I.T.**

I AM ENTRUSTED WITH THE SCROLLS OF MODERNIZATION, ORCHESTRATION, NAVIGATION, AUTOMATION, AND DEMOCRATIZATION, OR **MONAD**.

I WILL RETURN TO MY **COMMAND CENTER**, WHERE I CAN MONITOR ALL. I WILL USE THE SCRIPTS TO CREATE SAFE PASSAGE WHILE YOU RETRIEVE WAYWARD TRAVELERS FROM THE PORTALS.

HURRY! THERE IS NOT A MOMENT TO LOSE.

BY THE
TIMELESS RUINS
OF MONAD...

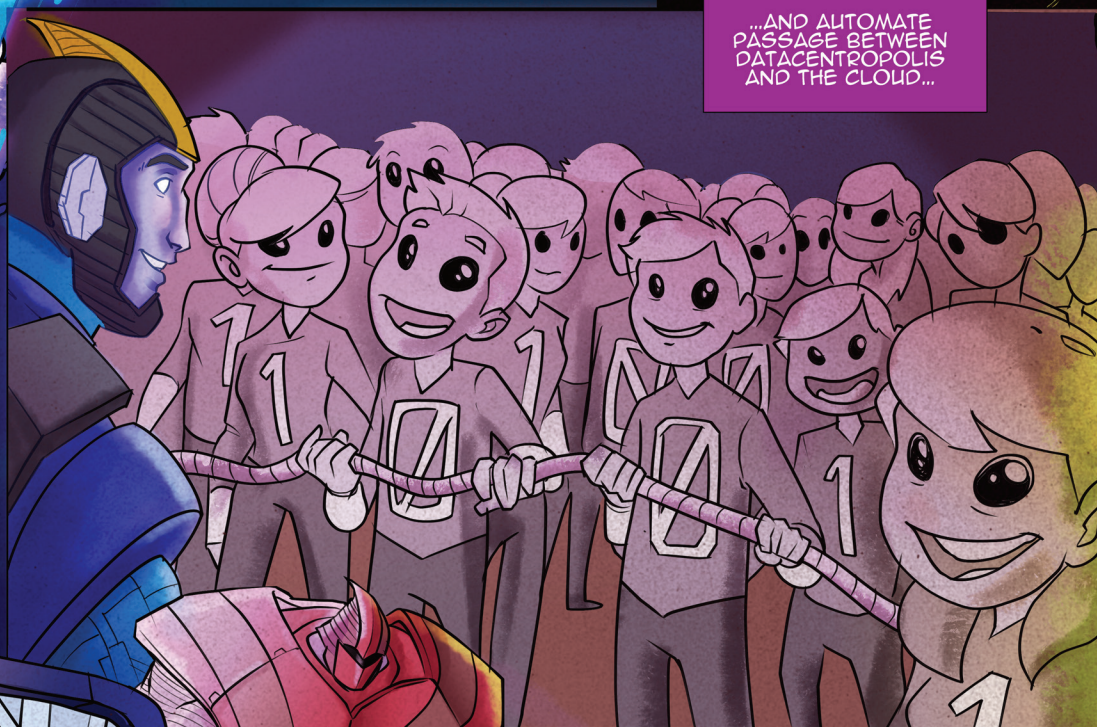

...I MONITOR THE
NEFARIOUS ACTIVITIES
OF SHADOW I.T....

...CONNECT
HEROES OF
ALL KINDS...

...AND AUTOMATE
PASSAGE BETWEEN
DATACENTROPOLIS
AND THE CLOUD...

HE SHOOTS,
HE SCORES!

...FOR THOSE WHO DON'T AUTOMATE ARE DOOMED TO REPEAT THE SAME BATTLES.

BYE GUYS! DON'T LET THE PORTAL HIT YOU ON YOUR WAY OUT!

SHADOW I.T. WILL BE BACK, AND THERE WILL BE OTHER THREATS TO DATACENTROPOLIS AND THE CLOUD.

THE TRANSPORT...IT'S MAGNIFICENT...
NOT A SOUL DEIGNS TO USE THE SHADOW I.T. PORTALS.

AND WHEN THOSE THREATS ARISE, I WILL BE WATCHING, AND READY TO ASSIST.

COUNT ME AS YOUR ALLY, YOU...

...HEROES OF THE CLOUD.
